### YOUR ACCESS TO SAFETY COMPLIANCE

To whom this may concern

14 July 2011

**Dear Sir Madam**

This serves to confirm that Paint Shuttle is a client of CAM Health and Safety Consultants, as of January 2011.

CAM has been appointed to carry out services for Paint Shuttle such as:

- Compiling of health and safety files
- Carrying out inductions for all employees
- Compiling monthly audits and weekly compliance visits
- Carrying out risk assessments and risk assessment training
- Ensuring weekly toolbox/safety talks are being performed
- Maintaining the overall safety and compliance within Paint Shuttle

For any queries regarding the services of CAM to Paint Shuttle  
Please do not hesitate to contact the Managing Member of CAM
